

Electrical Motors:

**All types, sizes & classes; used onboard
Cruise Ships, Ferries, Offshore Platforms,
Tankers, Dry Cargo, Self Unloaders, RoRo's etc.**

Scardana is your source for motors worldwide since 1974

**You get more knowledge and experience, 35 years
of sourcing and procurement history, better
documentation, better records and lower cost.**

**We supply electrical motors from France,
Germany, Denmark, Sweden, Poland, Russia,
Italy, USA, China, Korea, Japan, Brazil and other
countries. We even have 1st class sources for
many obsolete and "impossible to find" motors.**

The preferred procurement contractor
worldwide since 1974
